## WHAT'S IT GOING TO TAKE?

Historians estimate **8-10 million** people lived in Asia during that time.

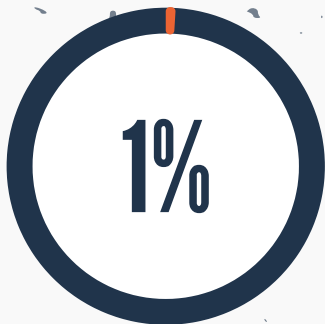

God's Word says they all **HEARD** the word in **2 years!**

## PAUL'S EXAMPLE

*"And he entered the synagogue and continued speaking out boldly for three months, having discussions and persuading them about the kingdom of God. But when some were becoming hardened and disobedient, speaking evil of the Way before the people, he withdrew from them and took the disciples away with him, and had discussions daily in the school of Tyrannus. This took place for two years, so that all who lived in Asia heard the word of the Lord, both Jews and Greeks."*

**Acts 19:8-10**

## WE HAVE TO...

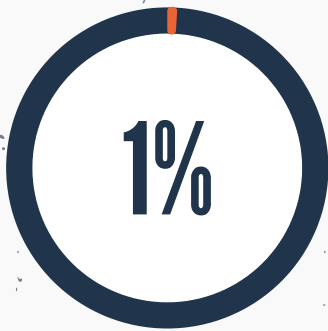

**MULTIPLY PRAYER  
MULTIPLY GOSPEL  
MULTIPLY LEADERS  
MULTIPLY CHURCHES**

## MULTIPLY NW

The fact is that we can't do this alone. But through the partnerships of MTSBC, NAMB, Local Networks, and Churches, we want Multiply Northwest to partner together as we discover, develop, and deploy ministry leaders in the Northwest and beyond through the local church.

## MULTIPLY PRAYER

If we are going to reach 1% of the Pacific Northwest, it is essential that we must depend upon God for this task. We see in scripture that prayer is the primary work. One of the universal principles in every Church Planting Movement is **extraordinary prayer**. One thing is for certain – prayer and fasting is foundational to movements because at the end of the day it's the Holy Spirit who starts movements. Jesus said, *"Therefore I tell you, whatever you ask in prayer, believe that you have received it, and it will be yours."* - Mark 11:24 We pray because God can do more in a moment that we can do in a lifetime.

“We pray because our vision exceeds our abilities. Prayer is the soul's deepest cry of rebellion against the way things are. It's seeing the lost of this world and crying out, “This does not glorify God, and so, by God's grace, it must change.” --David Garrison

”

Below are initiatives we call **Kingdom Moments** that we have embraced at Gateway to multiply prayer.

**Core Prayers** - These are prayers that we as a body have identified as core to what God is doing in and through our lives. So we pray for these daily and weekly as a body.

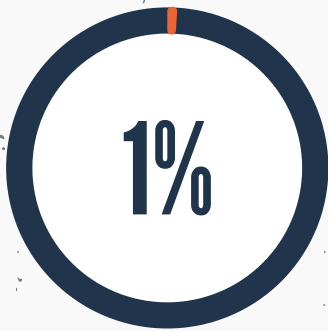

**Elephant Prayers** - This is a way to celebrate God's response to prayer by having people write down big, or ELEPHANT, prayers on luggage tags. As they are answered, we celebrate as a family of God by placing them in an "answered" jar.

**Missional Prayers** - These are prayers that we pray often concerning the advancement of God's kingdom locally and globally.

$$= (G)(2^{10})$$

This equation shows how we can reach **1% of the entire Northwest.**

**G** = the number of gospel conversations.

**2** = the multiplication rate.

**10** = is the number of years.

If we **duplicate** ourselves once a year for 10 years, the amount of gospel conversations needed to reach 1% of the entire Northwest is **196 conversations per leader every year!**

## MULTIPLY LEADERS

Simply developing faithful church members is not enough. We need to raise multiplying leaders to fulfill our goal of 1%. Our residency will help us move these leaders forward to reach more people. This residency is designed to discover, develop, and deploy ministry leaders to plant churches, replant churches, and grow ministry leaders in the context of the local church.

### DISCOVER

We have developed a clear pathway to grow missional leaders within our local church. In the spirit of cooperation and the urgency of the mission, we need to partner with churches, associations, colleges, and seminaries, to connect us to potential leaders for the Northwest and beyond.

### DEVELOP

To help clarify God's calling in one's life, we invite our paid residents to explore ministry in a team setting. As a part of the leadership team, they will learn from experienced NAMB planters and other missional leaders in the Northwest.

### DEPLOY

Upon completing the residency program and our final evaluation, the resident will be invited to have the opportunity to join the team to either plant, replant, or be a multiplying leader in the Northwest and beyond.
